Questions and Answers (Q&A)
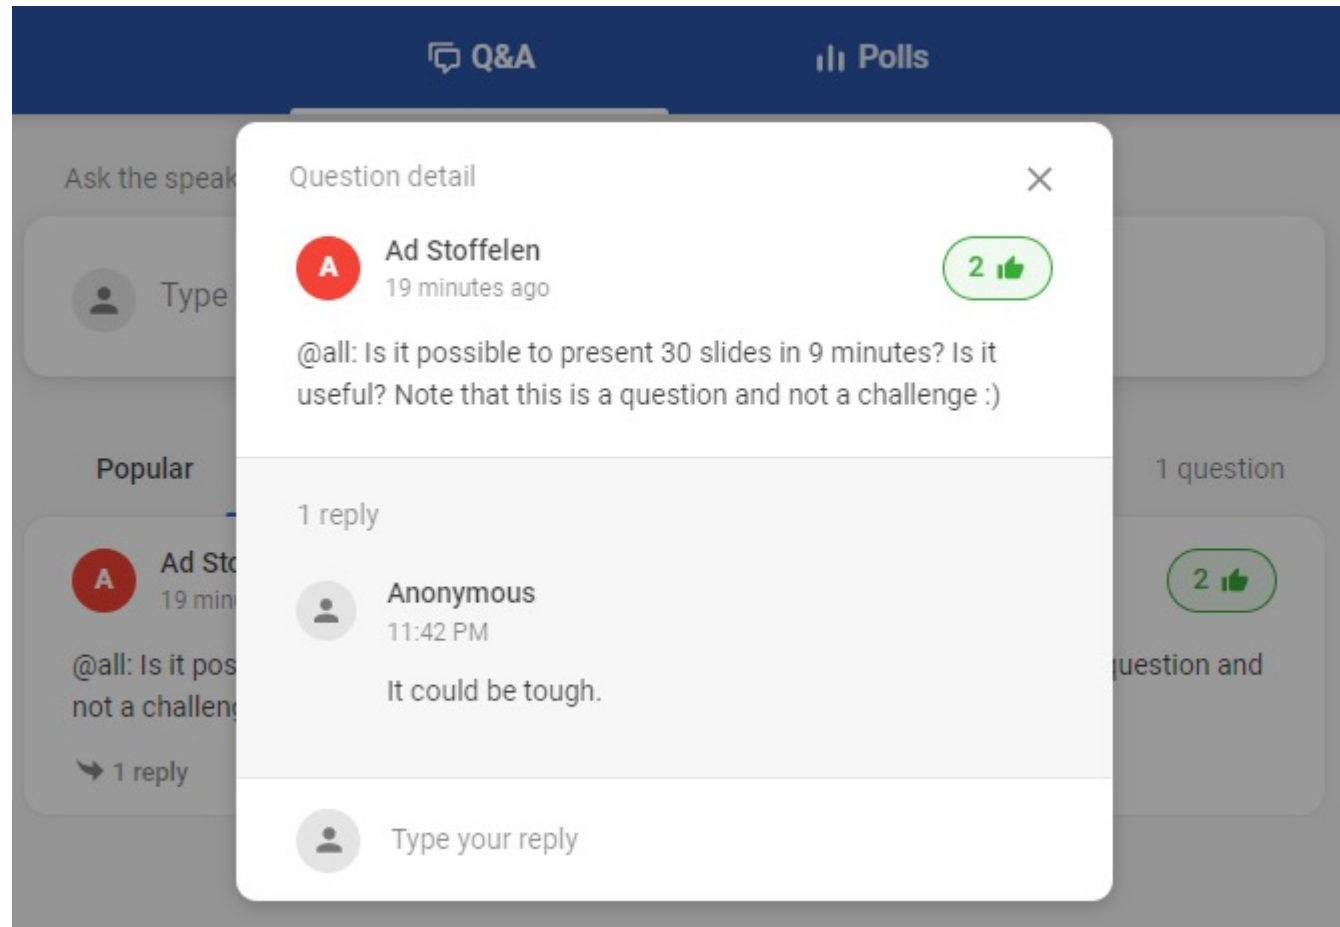

❖ Please address questions personally where
possible, e.g., @Ad

Slido
iwwg

❖ Multiple replies entertain a discussion, upvoting brings it to Q&A sessions

❖ Questions on presentations not handled in Q&A plenaries can go to the IWW15 web site

WebEx presentation

❖ We have to be very strict on the time to make IWW15 fit all

❖ The organizers share your slides while you present them

❖ Please, send Ad and Steve an email message when you foresee presentation problems with your presentation, so we can test

❖ Please, unmute and turn on your camera when presenting

❖ Present

❖ Receive a 2-minute warning before end of presentation

❖ Mute and turn off your camera when ready

WebEx Chairs

❖ The two chairs divide the roles for:

    1)   Timing the session (e.g., stopwatch/alarm on your telephone)

    2)   Announcing the talks and noting salient points for the session summary

❖ Take over each other's role in case of technical issues

❖ Agree on extra communication channel: WhatsApp, mail, Slack ..

❖ Turn on your camera and **unmute** for all communications, in particular for the 2-minute warnings before end-of-presentation

❖ Mute and turn off your camera when ready

❖ Put the salient session points (incl. Q&A) on one sheet

❖ The organizers will share the presenter's presentations
